

BOEING RETIREE VOLUNTEER PROGRAM

The Boeing Company
Box 3707 M/S OF-KA
Seattle, Wash. 98124-2207

Sno-King Boeing Retiree Volunteers General Meeting

Our activity this month will be—

Annual Recognition Luncheon

Shawn O'Donnell's, 128th St SE
October 30th—5th Thursday, 12:00 Noon
Come early and socialize

Bring another Boeing retiree—Bring dry food staples for the Food Bank

SNO-KING BOEING RETIREE VOLUNTEERS OFFICE & MEETING ROOM

Located in the Boeing Everett Activity Center which is 2½ miles North of the Boeing Everett Plant

From either direction (East or West) on Highway 526 (Boeing Freeway), take the Seaway Blvd turnoff. Proceed northerly for approximately 2½ miles. The Activity Center is at the top of the next hill after you drive down through the big curve in the gully. Lots of parking in front of the building.

Chairman's Report

Our annual Recognition Luncheon will again be held at Shawn O'Donnel's, located just east of I-5 on 128th Street. One change, however. It will be on the fifth Thursday of the month, as opposed to the fourth Thursday. So mark October 30th on your calendar. There is limited seating for 85 at this restaurant, so make your reservations early with Dave Skinner. His phone number is 425-353-4840.

Our annual 'Spark Plug' award will be given out at this event, to honor a special individual who has demonstrated incredible leadership in supporting multiple non-profit organizations over many years.

Bob Krull

CLC Report

Oly-Pen chapter reported that they added five new members due to an article in the Port Angeles newspaper. I know Sno-King has posted ads in the **Everett Herald** in the past, but perhaps we should try again with an article on SRC support, including a few photos, since this is a volunteer activity which is starting up again this fall. (See the related write-up and photos elsewhere in this issue.) Also, Oly-Pen said they plan to pick up nine pallets of mainly school supplies from World Vision.

Heritage member, **Bill Lee**, reported on his two weeks in Eastern Washington, supporting Red Cross work with folks affected by the **wildfires**. Nearly 300 homes were destroyed and evacuees went to several shelters/camps. Bill's team delivered meals to the evacuees and covered 250 miles per day doing it. As you recall, last year Bill and his wife gave Sno-King a very interesting presentation on their support after another disaster, hurricane Sandy.

Several CLC members recommended malware software that is outstanding: www.malwarebytes.org. I had never heard of it but may try it.

Photos from the September Meeting

Sew N Sews

Soon it will be getting colder and thank goodness for Bluebills we will be able to supply many hats and scarves.

Please note that hats and gloves are in short supply for the men. If you are making any items would you please put the men at the top of the list? Everyone likes to make pretty items for the girls and there is an overabundance of girly items. This is not just my request but also the request of the agencies. The men prefer darker colors, sports-oriented, nothing frilly; warmth is important especially for the ears and hands.

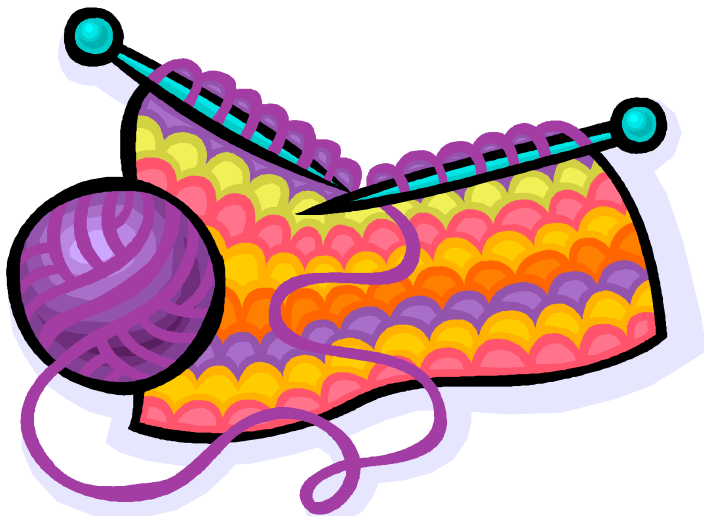

When you are on the streets late at night, it gets very cold with the wind off the sound. There isn't room in shelters for all the homeless and oftentimes I will see them trying to keep warm in the doorways of businesses. The churches don't open their facilities until the temp reaches freezing. The younger men can better withstand these low temperatures but I see many older homeless guys—all gray and pushing a cart with all their belongings. These older homeless men don't have too many nights left in their lives. A nice warm hat and a pair of gloves is a blessing to them. The Everett Gospel Mission maintains a free clothing store for those who are in need.

Thank you **ELLA KRULL** for the red and white baby afghan.

Deliveries were made to St. Joseph's and the Everett Gospel Mission.

Thank you again for all that you are doing to help our needy neighbors.

Sew long,
Rose

VOA Update

Thank you for responding to the two emails which were sent regarding help needed at the south Everett VOA food bank. At this time Bluebills cannot support this kind of project and VOA was informed of our decision. They will let us know whenever they have a shorter term project.

There wasn't any clothes sorting held during the last month, and the school supply program didn't happen. I go to the warehouse regularly and never saw any school supply activity.

Alan Gale

Volunteer Hours

Hi All,
It is time to submit your Bluebills volunteer hours for the month of September or any previous month. If you have hours that have not been reported, you may submit those also. Thanks for your input.

Max

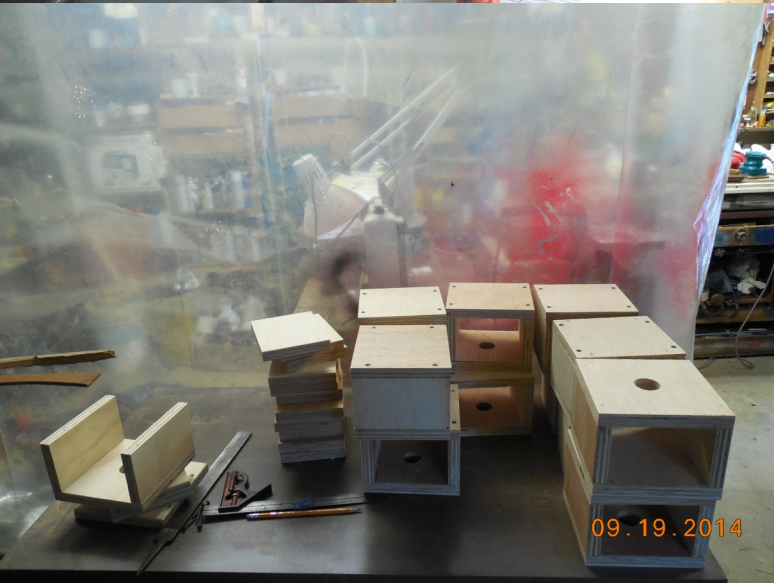

SRC Photos, Both Current and Older

Boeing Bluebills, Stan and Jan Shipley, together with Lee and Wanda Thomas, met at the SRC on Tuesday, September 23rd to assemble mouse-trap powered cars. The center currently needs volunteers to help with preparing the kits sent to the various schools for STEM projects. Please contact Lee Thomas at 425-334-7645 or by email at robtlee@frontier.com if you are able to help Tuesdays, Wednesdays, or Thursdays.

New SRC Project

Lee and Wanda assembling boxes in their garage so students can stamp out metal boats. This is a new hydraulic pneumatic project this year.

DATES TO REMEMBER!!

Sno-King Boeing Retiree Annual Recognition Luncheon,

Thursday, October 30th at 12:00 Noon

Location is Shawn O'Donnell's

On 128th, just east of I-5
