

Chairman's Report

The meeting was called to order at 1 PM. Introductions were made - and we welcomed new member Sam Seto.

I gave a report from my attendance at the CLC Meeting. Annual budget proposals are due from each chapter. A back-up attendee from our chapter to the CLC was requested. Bob Krull agreed to fill this role.

It was requested that we invite Max Hayashi to attend one of our meetings to provide a review of volunteer statistics form Sno-King. This could be a regular (semi-annual) event.

We discussed updating the Sno-King member list (name, phone, email). We should identify if member is a Retiree or an Associate.

I inquired as to the status of our "Everett Office". We later were given a tour of the space provided within the Rec Center. It hasn't been used much lately and needs some organizing. We inquired as to the dedicated phone line - and how to get a answering service added (messages) to allow callers to leave us a message for us to be able to retrieve them remotely. We were advised to go through our Boeing focal to see if this could be added.

We discussed the October Recognition Luncheon. It will be held at Shawn O'Donnells in South Everett in lieu of our regular meeting that month (Oct 24th, 12-3PM). We need to develop a program for the event and get a headcount. We should ask members to RSVP if they plan on attending. At our September meeting we will discuss guest speakers and guest attendees. Also, we want to explore the idea of any special recognition to be given at the event.

We decided to structure our regular meetings into a quarterly rotation of topics... specifically:

Month 1 - Reports/Status (membership recruit - ment, CLC, Volunteer statistics)

Month 2 - Social/Volunteering (events and upcoming opportunities)

Month 3 - Education (guest speakers)

We heard of the passing of a member - Delores M. Slusarz on July 19, 2018 of Hermosa Beach, CA.

The meeting was adjourned at 3 PM.
